*Elegant clothing
for women*

Devizes has plenty of on and off street parking. On street parking in the Market Place is free. However, it is restricted to 30 minutes only. Free 1hr on street parking can also be found on most side roads in the center, 2hrs further out.

We recommend the central car park off Maryport Street (charges apply).

From here you can walk through the delightful Swan Yard and across the road to Hen House.

Opening Hours:
